SACRAMENTO CHILDREN'S HOME

5TH ANNUAL IMPACT LUNCHEON

THURSDAY, JUNE 6, 2024

Since 1867, the Sacramento Children's Home has been committed to providing high-quality care to the Sacramento region's most vulnerable children and families.

Whether providing short-term residential care to foster youth who have suffered trauma or crisis support for families with infants and toddlers, SCH consistently focuses on child abuse prevention, intervention, and mental health treatment for our area's most at-risk children and families. Our mission could not be accomplished without the support of the Sacramento community.
