The world needs your ideas!

NASA SPACE APPS — FOLSOM, CA

NASA International Space Apps Challenge is inviting coders, entrepreneurs, artists, scientists, engineers, designers, storytellers, makers, builders, and technologists to come together in a Global Hackathon to solve on-Earth and in-Space challenges using NASA's open source data.

2024 Theme: The Sun Touches Everything

Free event for all ages!

October 5th & 6th, 2024
Granite City Coworking
Suite 100
Folsom, CA 95630
